

HULA POKÉ: SUN, SEA & SUPERFOODS

High tides & good vibes. **Hula** Poké brings a mix of traditional poké flavours and globally inspired bowls, that honour and lift up, beautiful raw fish. We make our food from scratch in-store for the freshest results & amazing tastes.

We know what goes around comes around, and believe in bringing in our global flavours through responsible ingredient sourcing, respecting our oceans, and making smart choices for now, and the future.

Our mantra is sun, sea & superfoods, and we're bringing all our good vibes & laid-back eats to western Canada. Breeze in for a poké bowl or tostada, a welcome drink – a kombucha, or infused coconut water wai-tai's – and some unreal go-munchies to stash away in your purse or desk. Hello #tastebudparadise.

Soak it in, drink it up. Here comes the sun (+ the fun)
