trackerworld.com

Tracker. About life life balance.

Located at Airports, Train and Bus Stations for Luggage and Travel Accessories.

Tracker is a bentley owned brand dedicated to travelers passing through airport, train, bus or other commuter or travel hub. Brightly colored and carefully curated, **Tracker** stores are eye-catching and curated with a modern, affordably priced collection of luggage, duffel bags and backpacks, along with security handbags, wallets, and other essentials for travelers on the go.

EXPANSION PLANS

Development of the Tracker brand both nationally and worldwide within the next three years.

SPECIFICATIONS

Airports, train stations, bus depots and commuter hubs; minimal construction, 200-400 sq.ft.
